The Examiner's attention is directed to the references which are listed on the attached Forms PTO/SB/08A and PTO/SB/08B. Copies of non-U.S. patent references are attached. Payment of the \$180.00 fee required under 37 CFR §1.17(p) is being made at time of filing.

In Annex IV of the European Parliament and Council Directive 76/768/EEC, it is believed that lines C.I. 77288 and C.I. 77289 are chromium oxide greens, which are the International Nomenclature of Cosmetic Ingredients names of chromium oxides, as well as the Colour Index name.

There are two LCW brochures ("Surface Treated Pigments" and "Coated Pigments") included in this information disclosure statement. There is a 1992 version of these brochures that contains similar information; however, no copy is available at this time. Applicant does not concede that any of these brochures constitutes prior art.

Citation of these references is respectfully requested.

No concession is made that these documents are prior art, and Applicant expressly reserves the right to antedate the documents as may be appropriate.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Gregory J. Hartwig', is written over a horizontal line.
